About This Website

LA SOCIOLOGÍA EN SUS ESCENARIOS is a freely available, online-only publication of the [Centro de Estudios de Opinión de la Universidad de Antioquia](#) (CEO), a researcher organization of quantitative methods in social research. Its focus is research practice and research in classrooms serving students and community.

This site offers original features and peer-reviewed articles, reviews, and website recommendations published between January 1998 and June 2003, along with resources reprinted from other e-journals. It is offered as an archived collection, and is not at present accepting new materials for publication.
